## PROJECT ARCHITECT (+3YRS POST PART III)

Date  
Jan-2019

Salary guide:  
£33,500 – £37,250 per annum, dependent on experience  
(plus company benefits structure)

We are looking for a highly motivated and skilled qualified architect with at least three years post-qualification experience to join our growing team. This is a client-facing role, that will suit candidates with a strong background in urban-scale and tactical proposals, with experience of working with a small project team and working closely with public sector clients. The ideal candidate will be responsible for developing proposals from masterplan and strategy stage through to delivery, with good knowledge of the London regeneration landscape.

### Experience

Candidates applying should:

- have a range of delivery experience in the UK
- have a desire for, or expertise in, strategic proposals development
- have the ability to work independently and take a lead on project development
- have experience of leading a team of architectural assistants, overseeing project resourcing levels and time management
- demonstrate a powerful public conscience in pursuing project goals and practice aims

### Skills

You must be a talented designer and have good technical knowledge with a great eye for presentation. You should have an ability to drive project design development. Excellent communication skills and a desire to contribute to lively, creative & productive team working required. Experience with Vectorworks and Adobe CS are essential.
