Subject  
Job description

## URBAN RESEARCH ASSISTANT

Date  
Jan-2019

Salary guide:  
£ commensurate with experience (plus company benefits structure)

We are looking for an early-career researcher, with a minimum degree-level qualification in urban/cities studies, political sciences or a similar related discipline, to join our practice to work on a number of live research and strategy projects. The role includes contributing fieldwork and desk-based data auditing to a number of research commissions spanning spaces of culture, industry and employment. The ideal candidate will have experience in undertaking quantitative and qualitative research through analytical and engaged processes.

### Skills

Candidates must be motivated, hardworking and have excellent written and visual communication skills. You should have a desire to contribute to lively, creative & productive team working. Experience with Adobe CS is essential, and GIS is preferred.

Candidates must be eligible to work in the UK and need to be available to start immediately, although some flexibility is possible for the correct candidate.

### How to apply

Please send a digital copy of your CV to [jobs@wemadethat.co.uk](mailto:jobs@wemadethat.co.uk) (max 10MB) along with a covering letter outlining how you meet the criteria. Mark the subject line with 'Urban Research Assistant'.

Deadline for applications is 17th February 2019.
